

how to speak vebro

a short guide to our product naming

At Vebro HQ, we've taken every care to simplify our product and system naming structure, but just in case, here's a short glossary of our abbreviations and acronyms...

CB	Crack Bridging / Flexible	PU	Polyurethane
EP	Epoxy	SC	Seal Coat (FeRFA Type 1)
ESD	Electrostatic Discharge	SL	Self Smoothing (FeRFA Type 5)
HBC	High-Build Coating (FeRFA Type 3)	SR	Slip Resistant Flooring
HD / HF	Heavy Duty Flooring	TX	Thixotropic
MF	Medium Duty Flooring	UV	UV Resistant
MMA	Methyl Methacrylate	DPM	Damp Proof Membrane
Flex	Flexible	WB	Water-Based
Plus	Enhanced Performance	SBR	Styrene Butadiene Rubber

And a little note about our Sealers - unless stated in brackets after the product name that the sealer is 'Clear', you can assume that it comes pigmented.

for chemistry you can count on...

Suite 2A, Booths Hall, Chelford Road, Knutsford, Cheshire, WA16 8GS, UK
